MOTION BY MAYOR MICHAEL D. ANTONOVICH

NOVEMBER 15, 2011

Residents who live near the intersection of Lark Ellen Avenue and Tudor Street, in the unincorporated Covina area have requested a traffic signal at this intersection. They have stated that over a number of years there have been several traffic collisions at the intersection. The most recent collision occurred on Monday morning, November 7, 2011 when two girls, on their way to school, were struck by a motorist.

Pedestrians currently cross Lark Ellen Avenue in a marked crosswalk with overhead flashing yellow beacons. Residents state that motorists fail to see and pay attention to the flashing beacons.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Works to install a traffic signal at the intersection of Lark Ellen Avenue and Tudor Street, in the unincorporated Covina area, and report back to the Board within 14 days with a schedule to install and activate the signal.
